

Great Falls Middle School 6th grade supply list

Dear GFMS 6th grade families,

Below is a list of supplies that your child will need for the upcoming school year. We are asking that you are practical with your supply purchases; you do not need to purchase major brand name products. Many of the supplies can be reasonably purchased at local “dollar” stores. If you have any questions regarding the supplies or assistance with purchasing the supplies, *please* email me.

On behalf of the 6th grade team,

Dan Carew, danieljcarew@gmrsd.org
